STANDING RESOLUTIONS

In Regards to Missionary Appropriation

Resolved, That the missionary money appropriated to the different missions in this conference be paid monthly, and that no part be paid except by order of the Conference Superintendent, and if in the judgment of the quarterly conference the missionary fails to faithfully perform his work it shall be in the power of the next conference, upon the recommendation of the Conference Superintendent, to withhold any part of the amount appropriated by this conference. (Adopted 1875.)

In Regards to Reading Course Examinations

Resolved, That the examination in Course of Study shall hereafter be conducted in writing. (Adopted 1882.)

In Regards to Conference Claimants

Resolved, That the amount appropriated to conference claimants be hereafter paid monthly by the treasurer. (Adopted 1890.)

In Regards to Mission Charges

Resolved, That the amount received as a missionary appropriation by mission charges is to be added to the amount of salary received on the charge, and be so reported to the conference chart. (Adopted 1890.)

In Regards to Appropriation from Preachers' Aid Fund

Resolved, That no preacher shall be entitled to an appropriation from the Preachers' Aid Fund until voted to a "Retired Itinerant" relation by the annual conference. All preachers and preachers' widows, deserving aid from this fund, shall make application to the Conference Finance Committee on the blank authorized by the conference, this

blank to be signed by the chairman and secretary of the quarterly conference of which the applicant is a member. Blanks shall be furnished applicants by the Conference Superintendent. The Conference Finance Committee shall then consider each case on its own merits. (Adopted 1922.)

In Regards to Letters of Introduction of Removed Members

Resolved, That the Conference Superintendent require all pastors to follow the non-resident members removing from their parishes with letters (not of membership but of introduction), to the nearest pastor so that we shall be able to conserve them to our beloved Zion for Kingdom building. (Adopted in 1930.)

In Regards to Plan of Conducting the Reading Course

It is hereby recommended that the Miami Conference adopt the following plan of conducting the reading course examinations and the passing of licentiates, namely:

(a) That a reading Course Faculty of five (5) members be named, said faculty to be organized as one faculty with a chairman and standing secretary, the secretary to keep the permanent record as authorized by the Discipline, Chapter IX, Section II, Part II, Item 2, paragraph 3, page 85.
(b) That examinations in each year's course be delegated by the chairman to members of the faculty as agreed upon by the faculty.
(c) That the passing of each licentiate be acted upon by the entire faculty, the faculty to meet during the sessions of the conference at stated times to consider the character and standing of each person pursuing the reading course.
(d) That examinations be conducted at any time during the conference year according to such plans as agreed upon by the faculty. (Adopted in 1930, revised according to action of conference in 1942.)
(e) That the Reading Course Faculty be elected for a term of four years. (Adopted 1933.)

In Regards to the Christian Sabbath

Whereas, various county fairs and the Ohio State Junior Fair have been open on Sunday, automobile races, horse pulling contests and other sporting events are being continually scheduled and held on Sunday; and this commercial use of the Christian Sabbath interferes with habits of worship and tends to destroy the religious value of the day.

Be it resolved, That we register our protest against such use of the Lord's Day and call upon our people and all other Christians to use their influence against such use of the Sabbath and have no part in sports and events held on this sacred day. (Adopted 1937.)

In Regards to Selection of Place for the Annual Conference Session

Resolved, That the invitations from the churches to entertain the next annual conference session should be given on Tuesday afternoon and the names of the churches placed on the first conference ballot. If no church receives a majority of the votes cast, the two receiving the largest number of votes on the first ballot be placed on the second ballot and the one receiving the larger number of votes be selected. (Adopted 1938.)

In Regards to the Historical Committee

Whereas, our method of electing the Historical Committee in the past has given the committee and the conferense no assurance of continuity or permanency either in its work or its records.

Therefore, be it resolved, that of the three persons who are elected in today's election, the one receiving the highest number of votes be elected for a term of three years, the second highest for two years, and third highest for one year. That, hereafter, one person be elected each year for a term of three years. (Adopted 1939.)

In Regards to the Personnel of the Board of Publication

Be it resolved that the committee charged with the publication of the Miami Messenger be composed of the Conference Superintendent, conference recording secretary, president of the Conference Board of Christian Education and two additional members chosen by ballot. (Adopted 1939.)

In Regards to Historical Papers

We recommend to the Conference Board of Trustees that they provide a suitable place, preferably in the Conference Manse, for the safe keeping of materials of historical value that are or may come into possession of the conference, and that the Conference Superintendent be the custodian of these archives. (Adopted 1940.)

In Regards to the Years of Service for the Commission on Evangelism

It is the sense of this body that the Conference Commission on Evangelism consist of five members with a term of five years, one member to be elected each year.

That this year the one receiving the highest number of votes be elected for five years; the next highest vote be for four years; and so forth.

That it be marked thus on the conference ballot. (Adopted 1945.)

THE FOLLOWING RESOLUTIONS APPEAR IN THE 1927 MINUTES AS STANDING RESOLUTIONS BUT NO DATE OF PASSING NOTED

1. That hereafter no appropriations be made by the Conference Board of Trustees or the Finance Committee beyond the income on hand or definitely provided for.
2. That no church in the conference shall contract any considerable debt for a new or remodeled building without first consulting the Conference Board of Trustees.
3. That no debt shall be larger than the local church can in the judgment of the Conference Board of trustees pay off within a reasonable time.

It is recommended that pledges on debts or building funds be taken on a yearly basis.

Conference Proceedings

TUESDAY MORNING SESSION

Mr. Robert Eshelman, conference organist, played Bach's "Come Sweet Death" as a prelude to our worship. During the playing of the prelude the choir of the New Madison church processed in silent solemnity.

Bishop A. R. Clippinger, D.D., LL.D., called the conference to order in the name of the Holy Trinity. We stood for the invocation following which we sang "According to Thy Gracious Word."

Rev. L. M. Hohn, D.D., Conference Superintendent, led us in a responsive reading of the Apostle's Creed as printed in *The Church Hymnal.*

The congregation sang "I Hear The Savior Say."

Rev. W. K. Messmer, host pastor, read the Old Testament scripture lesson from Psalms 42, 43.

Bishop A. R. Clippinger brought the communion meditation using as his theme "A Joyful Approach," and as a text Psalm 42:4.

He said that the book of Psalms has been called the mirror of the soul. In the forty-second Psalm David expresses faith in God and joy for worship. As we come to the communion table do we come with joy? He also said that Sabbath observance is often regarded with dread rather than joy. The Christian should find joy in coming to worship and in Christian living for the Christian religion liberates the soul. Christian people should be the most happy people in the world. The secret of a radiant life is communion and fellowship with God.

He said that communion is a covenant between Christ and the Christian. In coming to the communion we are fulfilling our part of the covenant. Communion is also a great promise, a memorial and a feast of joy and thanksgiving.

The New Madison choir under the direction of Mrs. W. K. Messmer sang "Boni Jesu."

Bishop Clippinger read the communion lesson using portions of Isaiah, Luke, and I Corinthians as printed in the book of Discipline. Rev. W. K. Messmer led in prayer of dedication. Revs. George Duckwall, W. I. Underwood, D.D., H. G. Clark, P. M. Herrick, D.D., E. R. Turner, D.D., and C. R. Smith distributed the elements. Dr. L. M. Hohn and Rev. W. K. Messmer presided at the communion table. During distribution of the elements we sang "Bread of Heaven On Thee We Feed." The bishop led in a prayer of consecration.

The congregation sang "Something For Thee" and "In The Cross of Christ Thy Glory."

The communion service was brought to a close with the playing of "Ein Feste Burg."

Rev. E. H. Hammon read the report of the committee on Memoirs. (See Report No. 1.)

The tribute to Mrs. Mary Nease Kiester was given by Rev. E. E. Burtner. (See Report No. 1A.)

The tribute to Mrs. Clara Belle Mathews was given by Dr. P. M. Herrick. (See Report No. 1B.)

He said that there were four human factors which make Otterbein College: 1. faculty, 2. students, 3. administration, 4. the church. It is the aim of Otterbein to give as good instruction as can be obtained. We need your support. He spoke of the emphasis of the Centennial campaign which centers around social and spiritual activities; academic program; the Centennial observance; publicity and financial. A total of $600,000 is sought for this fund, $458,000 is already paid, pledged or underwritten. He presented certificates of honor to ministers of the churches which had paid their Centennial quotas in full.

Bishop Clippinger read from the conference minutes of 1893 a statement by Dr. Garst concerning cooperation between Miami Conference and Otterbein College. He also told of certain other problems that the conference faced at that time.

Dean C. E. Ashcraft, D.D., of Bonebrake Seminary addressed the conference on behalf of the Seminary. He brought greetings and spoke of the sacrifices this conference had made for the Seminary during the depression. Now the Seminary is out of debt. The history making event occuring July 1, 1945. "Last year we had 121 graduate students which was the largest in the history of the Seminary. This year we have 105 students so far. There are 85 men in service who have indicated an intention to enter Bonebrake." He spoke of the need of a program of recruiting young men for the ministry in Miami Conference. He also spoke of his appreciation of the work of the Seminary Auxiliary. He stated the immediate needs of the Seminary in-

clude a library building to cost $150,000, a chapel to cost $75,000, more apartments $50,000, larger endowments and two more teachers. Funds for these projects can be secured through wills, mortuary notes and the benevolence budget. He closed by saying that Bonebrake stands for all that is best in Christianity.

The report of the tellers in the election section I was read by Rev. I. E. Jenkins. (See Report No. 8.)

The ministers' quartet sang "I Want My Life to Tell."

The Rev. N. L. Linebaugh read the report of the Commission on Evangelism.

Dr. H. H. McConnell addressed the conference. He read from Acts 8:25-39. He said that this tells the story of Phillip, a lay evangelist. One great facet of truth is revealed in his life—the ideal lay leadership within the church. He spoke of (1) the man in the story and said that he was commissioned, committed and compassioned. (2) The message; preached Christ, the kingdom of God, the whole Gospel and its ramifications. He said that this message is personal and social. (3) The method. Use any method. This year emphasis is upon lay evangelism. He spoke of need for devotion, zeal and sacrifice for Him who is the leader and captain of our salvation.

Copies of the Discipline for the proposed Evangelical United Brethren Church were sold and literature relating to church union was distributed.

It was voted to adopt the report of the Commission on Evangelism. (See Report No. 12.)

Announcements were made by Bishop Clippinger, Revs. Wm. Messmer and Stockslager and Mr. W. H. Keckler. It was announced that the Seminary Auxiliary would meet at 12:45.

We were recessed on motion.

The Rev. J. H. Nall led in prayer and pronounced the benediction.

WEDNESDAY AFTERNOON SESSION

Following the prelude Dr. Underwood led us in singing "Higher Grounds."

The Rev. D. E. Gillespie read John 15:1-27 and led in prayer.

Dr. H. H. McConnell was called to the platform for his second address of the day. He read "The Call to Evangelism" adopted by the Federal Council of Churches. He said that man lives in such a way as to try the patience of God. He reminded us that many churches have no reception of members on confession of faith, which certainly must try the patience of God. The Bible every where tells of the love of God for all men. If any man will come unto me I will sup with him, is characteristic of a seeking God who takes the initiative in the redemption of any soul. Things cannot satisfy the soul which hungers for God. Between seeking God and seeking man stand the messengers who bring the story of the Gospel. One of the requisites for these messengers is a pure heart. Shall we be worthy of the trust given us?

Mrs. Fred Hiltebrand, president of the Seminary Auxiliary, was presented. She told briefly of the work of the auxiliary and asked for memberships.

Copies of the booklet *The Evangelistic Church* were distributed.

The Rev. Harvey Clark read the report of the Committee on Church Union. (See Report No. 13.) Rev. Clark moved the adoption of Resolution No. I of the report. There were numerous seconds. Bishop Clippinger told of the progress in church union which led to the vote we were about to take. He said that "I believe with all my heart than God is in this union or I would not urge you to vote it as I do." A roll call vote of Resolution No. I was taken. The vote was unanimous in favor of the union. (See Report No. 14.) It was moved and supported that Resolution No. II in the report on church union be adopted. The motion carried. It was moved and supported that Reso-

lution No. III in the report on church union be adopted. The motion carried.

The Rev. Ambrose Aegerter of the Evangelical Church, the Rev. V. O. Allman, D.D., Superintendent of the Sandusky Conference, the Rev. E. J. Haldeman, Sandusky Conference were introduced and granted the courtesies of the conference.

Mrs. W. H. Castle spoke for the Otterbein Home Auxiliary. She stated the aims of the auxiliary were to aid in the Christmas offering for the Home, which last year approximated $107,000, promote canning projects, help provide funds for the new dormitory for boys, create a scholarship fund to aid deserving boys and girls from the Home to attend Otterbein College and to help promote the fund to purchase an elevator for the Philippi Memorial building. The bishop urged us to strive for $1.00 per member in the Christmas offering for the Otterbein Home.

Dean Ashcraft addressed the conference. He gave a stirring and thought provoking appeal for evangelistic endeavor. He said that Jesus lived a vascular life, wherever you cut it it will bleed. He began the evangelistic program of the church. We take our direction from Him. The church has four functions to perform; worship, education, stewardship, and missions. The over all purpose of the church is evangelism. It ceases to be the church when it forgets its purpose. We live in a disintegrating age, evidenced by the breakdown in: (1) people's lives, (2) within the family, (3) in our social order, (4) in our international relationships. He said that you can't build a golden social order out of leaden lives. Christian love, not Christian culture is at the heart of the Christian faith. He spoke of the need for redemptive fellowship as contrasted with punitive fellowship. The challenge of this kind of a world requires consecration. He closed by suggesting a challenge for Miami Conference to win a number equal to one-fourth of our membership to the kingdom of God and the church.

Copies of *Training for Evangelism* the denominational study book for this conference year were sold.

Report of the Committee on Nominations, section II was read by Rev. Earl Stockslager. The report was approved and ordered printed.

Rev. O. D. Welbaum read a supplemental report of the Committee on Conference Relations. The report was approved. (See Report No. 15).

A meeting of the Mutual Benefit Society was called following adjournment.

The bishop announced that men now eligible to join the Ministerial Pension Plan must do so by January 1, 1946 or be forever barred.

Mr. F. C. Grandy, president of the Sandusky Conference Brotherhood, was introduced.

We adjourned on motion.

The benediction was given by Dean Ashcraft.

WEDNESDAY EVENING SESSION

Mr. Eshelman played Handel's "Arioso" for our prelude. We were led in the singing of "Jesus Calls Us" by Rev. W. H. Sinks. Rev. Carl Eschbach introduced Marcelino Viduya, Jr., who is the son of our missionary doctor at La Fernando, La Union, Philippine Islands, who is making his home with Dr. and Mrs. Elmer Werner in Cincinnati.

The scripture lesson was read by Mr. J. E. Teaford who also led in prayer.

As this was Conference Brotherhood night an offering was taken for the Brotherhood organization. The offertory was "Berceuse Illjinsky."

Mr. A. T. Martin, president of the Conference Brotherhood and our presiding officer for the evening, reported that there were nineteen Brotherhoods in the conference of which eleven are chartered.

There were three new Brotherhoods organized during the year.

Mr. F. C. Grandy, president of the Sandusky Conference Brotherhood addressed the conference. He said that I believe in the Brotherhood. The men have been idle too long. The Brotherhood will interest and hold the men, harness them to a task, deepen spirituality, cultivate fellowship, cooperate with other organizations of the church and help men in evangelistic endeavor. He spoke of the church's need for men. A successful Brotherhood takes hard work. He recommended district meetings for men, and told of the Sandusky Conference project which was assisting in establishing a mission at Sandusky, Ohio.

He said that the General Conference has given the national Brotherhood a project of raising $300,000 this quadrennium for rehabilitation in war torn areas. The offerings on World Communion Sunday, Men's Day, and the War Time Service Offering in June will apply on this project. He closed by saying this was an opportunity for Christian sharing.

Ballots for the election of officers for the conference Brotherhood were distributed.

We sang "Oh Scatter Loving Deeds."

Dr. O. T. Deever was presented to the conference. He spoke upon the subject "Training for Christian Evangelism." He said that we live in a cold, heartless world. This quadrennium we are to put our faith into action. We of the United Brethren Church need action. He said that evangelism is to make Christ known, loved, trusted, obeyed and exemplified. Christian education and evangelism are two facets of one truth. Education grounds the individual for faith. There must be times of foundation-laying if we are to have effective evangelism. I believe in pulpit evangelism and lay evangelism. The Sunday school has been and still remains our largest field of evangelism.

We sang the doxology.

Rev. J. L. Armstrong pronounced the benediction.

THURSDAY MORNING SESSION

Following the prelude we sang "The Hollow of God's Hand" and "Rise Up Oh Men of God" under the direction of Dr. W. I. Underwood.

The Rev. George W. Kopittke brought the devotional address on the subject "The Ax at the Root." He said that we live in a world of law and that God's laws are not mysterious. They may be known. He indicated that periods of prosperity and depression are evidences of God's law. He used the parable of the husbandman to indicate the relationship between the Gospel and the economic order. He asked if we are ready to live by God's laws and stated that the alternative is to be mastered by them. The church today needs a reformation whose rallying call will center in the sermon on the mount. It is the task of the church to lay the ax to the root of the tree of evil.

The journal for Wednesday was approved without reading.

The report of the Reading Course Faculty was read and approved. (See Report No. 16.)

The Rev. Philip O. Deever read the report of the Committee on Elders' Orders. The report was approved. (See Report No. 17.)

The report of the Board of Christian Education was read by the Rev. J. B. Henry who introduced the various directors of the board. The Rev. Philip O. Deever spoke of the need for recruiting ministers. The Rev. Harvey Hahn, director of evangelism, spoke of his desire to lead in an effective evangelistic program. The report on Christian Education was approved. (See Report No. 18.)

Mr. L. L. Huffman, publishing agent, was presented to the conference. He spoke a personal word concerning his new duties and asked for our prayers. He stated that the Publishing House is out of debt. He presented the conference with a check for $1,008 on behalf of the House to be distributed to the aged and indigent ministers

of the conference. He presented the *Telescope* quota winners of the conference and Dr. P. M. Herrick, a member of the Century Club. He told of the visual education service of the House. He said that there were two principles guiding the House, service and profits. Our publications should be an aid to evangelistic endeavor. The world today needs more than anything else the message of Jesus Christ.

Mr. S. P. McNaught, superintendent of the Ohio Anti-Saloon League, spoke on behalf of the work of the League. He said that the pastor is the natural leader of temperance forces in the community. He told of local option efforts and the quiz book program. He said the 1940 sin bill was ninety billion dollars. The national income was one hundred-sixty billion dollars while we spent one and six-hundredths billion for religion. We were urged to keep in touch with our legislators.

Rev. B. F. Lamb, D.D., executive secretary of the Ohio Council of Churches and Religious Education, addressed the conference. He said that his observation convinced him that the Evangelical and United Brethren Churches were alike in spirit and devotion. He said that our divisions hinder the building of the Kingdom of God. There are many interests in the State Council. This year I speak of many critical conditions in this state. The Ohio constitutional law prohibits gambling. The legislature has excluded non-profit organizations from penalties for infractions of this law. The Ohio Council of Churches is trying to get this bill repealed. If we want reforms voted by our legislature we must unite our Protestant forces. We need to talk and practice Christian unity.

The bishop announced that the vote on church union in the local church will be in January, 1946. The machinery will be quite similar to that of voting for delegates to the General Conference. The bishop recommended the book *The Supreme Possession* by G. Ray Gordon.

Announcements of committee meetings were made.

We adjourned on motion.

The bishop pronounced the benediction.

THURSDAY AFTERNOON SESSION

Mr. Eshelman played "Prelude in E Flat" by Guilmant.

An offering was taken for the janitor and organist of the local church.

Copies of *Worship Pathways,* volume 12, were sold.

The report of the Town and Country Church Commission was read by the Rev. J. P. Hendrix. It was approved on motion. (See Report No. 19.)

Rev. M. B. Klepinger read a report of the committee on Change of Date for the conference. The report was approved and ordered filed. (See Report No. 20.) The bishop continued the committee for further study.

Dr. L. M. Hohn, on behalf of the conference, presented Bishop Clippinger a purse totaling $87.00 as an indication of the affection and esteem of his brethren gained during his twenty-five years of service as our presiding bishop. The bishop responded, saying, "I feel at home here, the fellowship is like a big family." He spoke of the experiences of coming from a "baby bishop" to the senior bishop of the church.

Bishop Clippinger spoke of the shortage of preachers and said that for the first time there is a shortage of student pastors.

The report of the Boundary and Finance Committee was read and approved. (See Report No. 21.)

The ballot for conference officials, section II, was taken.

Mr. W. O. Clark, general church treasurer, spoke on "Our Benevolence Imperative." The General Conference arrived at the $700,000

figure for a budget after much hard work. I wish to speak of four new items in the budget, (1) ministerial student gift fund $3,500, (2) Town and Country church commission $6,000, (3) Commission on Evangelism $3,000, (4) Commission on Christian social action $500. The distribution of benevolences to the departments of the church is pro-rated according to the percentage received, anything less than 100% hampers our work. If we are good stewards we will have no difficulty in meeting the quotas in the local church.

The report of the Committee on Pastors' Records was read by C. E. Fryman. It was approved. (See Report No. 22.)

The Rev. C. R. Smith read the report of the Policy Committee which was approved. (See Report No. 23.)

The Committee on Resolutions report was read by Rev. George Duckwall. Approval was voted. (See Report No. 25.)

The report of the Historical Committee was read by Rev. E. S. Comrey. This report was adopted. (See Report No. 26.) It was moved that the $25 appropriation in this report be referred to the Conference Council of Administration.

The Rev. Robert Copeland requested anyone having historical documents to send them to Germantown for display at the next session of the annual conference.

Pads for local benevolence treasurers were distributed.

The report of the tellers, section II, was read by the Rev. I. E. Jenkins. Persons receiving the highest number of votes were declared elected. (See Report No. 15.)

Rev. M. B. Klepinger gave a brief comparison of pastors' salaries by districts.

The minutes for Thursday were approved without reading.

Bishop Clippinger spoke his appreciation for the faithfulness of the conference. The future is enough to challenge every preacher to preach the best he knows how. He expressed his faith that the Christian religion can solve our problem. He said that there are two chief complaints concerning ministers, too little preparation for sermons, and too little visitation. He urged the ministers to be scriptual in their preaching.

We stood to sing "God Be With You 'Till We Meet Again."

Bishop Clippinger led in the closing prayer asking for God's blessing upon the churches and ministers of the conference.

THURSDAY EVENING SESSION

The New Madison church was crowded to capacity for the closing session of the conference which began with Mr. Eshelman playing "Wiegenlied" by Bohm for our prelude. Following the processional by the choir of the New Madison Church, Bishop Clippinger led in the invocation.

The congregation sang, "A Mighty Fortress Is Our God." Rev. W. H. Sinks was our song leader.

The Rev. Earl Stockslager read from Matthew 16:1-20 and led in prayer.

An offering was taken for the fund being raised to purchase a permanent camp for use by the organizations of the Miami Conference. Joe Brumbaugh, pianist and Mr. Eshelman, organist, played "Reve Angelique" for the offertory.

The choir of the New Madison Church sang, Sergei's "My God and I." This was an impressive rendition under the direction of Mrs. W. K. Messmer.

Bishop Clippinger announced the subject of his annual conference sermon to be, "Our National and Our Spiritual Crisis." He chose as his

texts, Psalm 33:12 and Proverbs 14:34. He said that we have faced many national crises, some more critical than others. The war just passed has brought tensions and anxiety which have resulted in 5% of our people becoming psycho-neurotic. He spoke of the need for several million men adjusting to civilian life. We no longer fear an enemy from the outside, our crisis today is from within. One great danger is from fascism which he described as rule by a minority. He reminded us that it cost something to attain our freedom and it will cost something to maintain it. Also that the Four Freedoms are a goal rather than a present reality of our experience. America is undergoing a bloodless revolution affecting schools, churches, science, industry and society. He indicated some danger signals along the way to be complacency, a "cocky" spirit, self-sufficient attitude, and lack of dependence upon God and our fellow men. No nation lives unto itself, the very ends of the world are being brought together yet we have not learned to live together. He spoke of the need for better understanding between capital and labor, races and the problems of reconstruction involving financial adjustment.

He also said that the aftermath of war is always dreadful, human life is cheap, bitterness, class distinctions and juvenile delinquency are prevalent. He spoke of the contrast between the per capita spending for liquor ($54.00) and for religion ($16.75) in Ohio in 1944. "We are prostituting the Holy Sabbath, we are depending upon broken cisterns." He asked if we could discern the signs of the times and stated that there was no hope for America outside of the Christian religion. He issued a call for repentence and stated that our church members know better than they do. He brought his sermon to a telling close by quoting from II Chronicles 7:14.

We sang "Savour Again to Thy Dear Name."

It was announced that the offering for the evening amounted to $200.

In an impressive ceremony the rite of ordination was administered to Milford E. Ater and Paul H. Jefferis. two young men from the Tyler Memorial Church of Chillicothe, Ohio. Dr. L. M. Hohn and the Revs. E. E. Burtner and Charles Messmer assisted in this rite. An Annual Conference License was presented to the Rev. James McQuiston who had been received into the conference upon the recommendation of the Oakwood Church.

The final report of the one hundred thirty-sixth session of the Miami Conference was read by Bishop Clippinger. This report of the stationing committee was featured by the fact that all but two of the full-time ministers of the conference were returned to their respective fields of labor. (See Report No. 27.)

Bishop Clippinger pronounced the benediction.

* * *

This session of Miami Conference was held in the newest building in the conference. The beauty of the building added much to the periods of worship and more than compensated for the fact that we were a trifle crowded. The hospitality of our hosts was outstanding. Our bishop handled the business of the conference with dispatch and skill acquired through his twenty-five years of service. The reports to the conference were good which may help to account for the small number of changes. For the first time in twenty-five years there was a shortage of student pastors which necessitated leaving several churches without pastors. The theme of the conference was evangelism which will be the center of our efforts in the period of reconstruction.

COMMITTEE ON MEMOIRS

It is our worthy custom to pause in the earliest hours of our annual conference session to pay reverent and affectionate tribute to our co-laborers who have entered into our Father's house since last we met. We do so, not as those who sorrow having no hope, but as Christians who remember the words of our Lord Jesus Christ when he said, "I am the resurrection and the life: he that believeth in me, though he were dead, yet shall he live: and whosoever liveth and believeth in me shall never die." This goodly asurance suffices us, and we commend it to all who have been caused to mourn.

While none of our brethren in the ministry has been called to lay down his labors during this past year, two ministers' widows have joined "the choir invisible of those immortal dead who live again." They are: Mrs. Mary Nease Kiester and Mrs. Clara Belle Mathews. Rev. E. E. Burtner will present the tribute to Mrs. Kiester, and Rev. P. M. Herrick, to Mrs. Mathews.

Report No. 1A

MRS. MARY NEASE KIESTER

Mrs. Mary Nease Kiester was born in Pomeroy, Ohio, April 22, 1850. On June 15, 1879 she was united in marriage to the Rev. S. W. Kiester. She was a faithful pastor's wife, actively supporting her husband in his work. They served together the following charges in this conference: Union City, Lewisburg, Summit Street and Riverdale. She moved with her husband to Mt. Pleasant, Pa., in the Allegheny Conference where he served 10 years; three of them, as in Miami Conference, as Conference Superintendent. In 1906 they moved to Westerville where they lived until death. Dr. Kiester died the day after the College Homecoming in 1929; Mrs. Kiester also died the day after the winter homecoming on February 11, 1945. She was almost 95 years old.

The writer knew Mrs. Kiester from early boyhood. And those boyhood impressions were deepened and confirmed by those of later years.

The first memory is of her prayers in the prayer meetings of the Westerville church. She was a loved and respected member of a fellowship of people who were real masters of prayer. While to a junior boy the prayers seemed long, nevertheless the fervid, rapid, beautiful language of her devotions was fascinating. Her prayer ranged the world in love and hope. She did not pray to be seen or heard of people, for she frequently forgot time and people in the completeness of her absorption in God.

A second memory is of her faithfulness in church going. She always sat well towards the front, and she always came. Even in her late years when bad weather or failing strength would have kept far younger people away, it was a common sight to see this slim, erect, dark-haired, alert lady quickly take her place in the sanctuary and listen closely and intelligently to all that went on.

A third memory is of her interest in the children and youth of the congregation. She was neither intrusive nor patronizing. But one felt challenged to better things by her friendly, straightforward interest. She was a pious woman. But the youth never thought so, because she was so attractive a person to know.

A fourth memory is of her youthfulness. It was an outstanding trait which she never lost. It showed in interesting ways. She was proud of her age. She seemed to think each year a new achievement.

As a child looks forward to being grown up, so Mrs. Kiester enjoyed the future. It is told of her that during a fire in the neighborhood her family was anxious lest excitement and threatening danger might harm her, but that when they got to her they found her calmly enjoying the scene. Indeed she had a smiling, spontaneous enjoyment of the Church and people and events that proved she was looking forward in hope and eagerness, not backward with longing and regret.

When we attempt to estimate the significance of these traits, and others that could be mentioned, we are driven to say they were the fruit of a profoundly sincere Christian experience. Of that experience she herself gives this account. "I was converted at the age of 18 and joined the U. B. Church. (She was helped to her decision by the reading of two books by United Brethren ministers: "The Perfect Christian Life" by Bishop Edwards and "The Higher Life" by Edward Hope.) The fullness of God's love came to me. Later, at a meeting in the woods the Holy Spirit came in power and perfect love. All man-fearing spirit was gone. Joy, peace and power have been given in prayer and testimony, even to the very words of my mouth. All glory to the Holy Spirit."

So close to her Lord did she live here on earth, that it has been well said her death following the Otterbein Homecoming was indeed a homecoming—a Homecoming with her husband, and with her Saviour.

Report No. 1B

MRS. CLARA MATHEWS

Mrs. Clara Belle Hopper Mathews was born to Abram and Miriam Hopper at Nine Mile, east of Cincinnati, Ohio, May 19, 1851. When a young girl she attended the United Brethren Church and Sunday School and later united with the United Brethren Church, in which denomination she remained during the rest of her life.

Any review of her life must be told in terms of her husband's career. She was united in marriage to Mr. George M. Mathews on Christmas Day, 1872. To this union one son, Milton H., was born, who preceeded her in death, in 1939. Mr. Mathews was first a school teacher, then entered the ministry, secured further education and then became a pastor. The Mathews served the High St., U. B. Church in Dayton, 1881-'84, the Summit St. Church, 1884-'89. The next five years were spent as presiding elder of the Miami Conference. From 1894 to 1898 they ministered to the congregation of First Church, Dayton, where she retained her membership till her death. Following the First Church pastorate, Dr. Mathews spent eleven years as editor of the Religious Telescope. In 1909 he was elected bishop. They remained in this relation to the Church until his death in 1921. Mrs. Mathews spent the remaining years of her life in Dayton with relatives and among friends. Following an injury in the early summer of this year she was taken to the Otterbein Home. Her frail body and shock from the accident would not permit her recovery. She passed to her Eternal Home, July 21, 1945, having lived more than 94 years. While Mrs. Mathews was an excellent helpmate through the varied and demanding services of her husband her life was not concealed nor hidden by his great life. She had been a great Sunday school worker, both while living in Chicago and serving the three churches of Dayton. Her winsome and radiant personality won to her admirers and friends of all ages. The affection of her friends is best indicated by the way in which they addressed her—"Aunt Clara." She often spoke of "My Girls" or "My Class."

Our sympathy goes out to those who because of family ties mourn her going: Her sister, Mrs. Martha J. Mathews of Dayton; a daughter-inlaw, Mrs. Milton H. Mathews of West Liberty, Ohio; three nieces, Mrs. Miriam Aeppli, of Dayton; Mrs. Frank W. Burge, of Philadelphia, Pa.; and Mrs. Robert Wilson, Westerville, Ohio; one nephew, Mr. J.

Wilbur Mathews of Dayton; and a large company of intimate friends whose lives she has touched and upon whom she left an indelible impact for good.

Her's was a beautiful life but even more beautiful death. In life she blest others wherever she went. In death she blesses all who remember. Like a rose whose fragrance and beauty bless all who see it but whose seed brings forth hundreds of new and lovely roses. As a stone tossed into a lake sends out the waves to the shores and back again, so a life such as Mrs. Mathews lives on and on through others as they in turn touch and influence still other lives. The world is never the same again after such a life has touched it. Such a life does not die it only moves out of the narrow confines of time and space to live a fuller and more enduring life.

James Russell Lowell has well said this truth:

"Salute the sacred dead,
Who went and returned not.—Say not so! . . .
We rather seem the dead, who stay behind.
Blow, trumpets, all your exultations blow!
For never shall their aureoled presence lack. . . .

They come transfigured back,
Secure from change in their high-hearted ways,
Beautiful evermore, and with the rays
Of morn on their white shields of Expectation."

"I am the resurrection and the life. He that believeth in me, tho' he were dead yet shall he live, and he that liveth and believeth in me shall never die."—*Jesus.*

P. M. HERRICK

Report No. 2

REPORT OF CONFERENCE SUPERINTENDENT

To Bishop A. R. Clippinger and Brethren of the Miami Conference: Greetings to you in the name of our Father, our Saviour and our Guide.

We have never come to an annual conference quite like we come to this one. We have been under a tension that is different to anything we have ever experienced. That tenseness has been relieved and now we feel the sense of burdens rolled off. We truly thank God for having experienced this relief. And now we can show our gratitude for all this, in living the kind of life and giving the kind of service that will build his kingdom into the heart life of the world.

The year just closed has been laden with many responsibilities. The church has accepted these obligations in a fine manner and has carried through to a worthwhile climax.

I. *THE WORK OF OUR CHURCHES.*

Our conference numbers 108 churches into which have come 1,708 new members. Out of these churches have gone 1,212 members, some to U. B. churches, some to other denominations, some by death and some without certificates of membership. This leaves a gain in membership for the conference of 496. Bringing the conference membership up to 29,586.

The keeness of our joy has been dulled somewhat in the fact that 20 of our churches did not receive a single member on confession of faith and 11 did not receive a single member during the year.

This reminds me to speak of the emphasis that is to be placed on our work for the coming year. The work of Evangelism is to have the front in this year. There are so many things in the world that need adjustment and we believe that under God these can be made. Dr. Goodell spoke words of wisdom when he said "We have the religion, which when obeyed will solve all the ills of life." In is the presentation of this religion and its claims upon human beings, that concerns the church and becomes her duty.

If Christ does not transform men then they are not transformed, and if he does not change men they are not "new creatures in Christ Jesus." The family pew must have a rebirth in all our churches, and

these pews must be occupied by the families of the church. The spirit of Christ must go farther than ever before. The home, the school, the church, business and social relations must feel a deeper concern in the work of the kingdom of God. What has been was good, but we dare not be satisfied with the past or harp back to it. What we need to do is to surpass what has been and build the kingdom of our God to greater and greater heights, building it into the heart life of today. Our Evangelistic Commission will bring a report to this body in which they will have certain helpful suggestions for the coming year.

Our church property has been well cared for during the past year. Such repairs as could be done under the restrictions, have been done. Forty-two church houses have received repairs of greater or lesser degree. For these repairs our churches have paid $37,670.00. Eight churches have been redecorated at a cost of $4,378.00. Nineteen churches contemplate rebuilding or remodeling in the near future. In these building funds there is reported $161,680.00.

Parsonage property has been in for a claim upon our good people. Twenty-eight parsonages have received repairs, etc., at a cost of $9,-307.00. New parsonages have been purchased by Greenville, Englewood, Lewisburg, Antioch, Beavertown, Millville, Batavia, Residence Park and Ginghamsburg. The cost of these will approximate $51,-922.00, and more, a number of these are paid out on the cost of these buildings. Belmont is contemplating the erection of a parsonage, in preparation for building their new auditorium. Parking lots have been procured by the Antioch and the New Haven churches.

Sulphur Grove and New Madison have installed new Hammond organs during the year.

A number of our churches are reported as having paid out on church debt. They are Willey Memorial, Oakwood, Southern Hills, and New Madison. North Bend and Hartford Street have paid out on their parsonage debts.

Our assignment of Benevolence Quota has been paid 104.3%. We are doing equally well with our Otterbein Centennial Campaign program having paid to date on our quota $33,209.00, leaving $28,291.00 yet to pay.

The General Conference saw the necessity of raising the benevolence asking to $700,000 for the next quadrennium. This gives to Miami Conference a raise of $3,000 on the Benevolence Quota. This assignment has been figured to the local churches by the same method that was used to establish the quota to the conference. This plan has a sixfold basis; first the average was found for the years 1941, 1942 and 1943, then these averages were used; average membership, average Sunday school attendance, average pastor's salary, average local expense, average paid on Benevolence Budget of last quadrennium, and the average of total benevolences paid. District meetings were then held where quotas were discussed and later a conclusion was drawn for each church. A fine spirit prevailed and a good attitude was shown. The results of these meetings have been reported to the Boundary and Finance Committee. The district leaders have been chosen as the committee to re-study these quotas.

We now have 108 churches in our conference and eight new parsonages.

The following show material gains over last year's report: Standard Leadership Training, Community Training Classes, Weekday Schools of Religion, average Sunday school attendance, Vacation Church schools and catechetical classes.

We have four Adult Christian Endeavor classes, fifty-four Young People's Societies and forty-one Junior Societies. There are 61 Women's Missionary Societies, and fifty-six Otterbein Guilds. We number eighty-four Ladies' Aid Societies, and eighteen Otterbein Brotherhoods. Twenty-eight churches report students in Otterbein College and forty-five report students in other colleges.

Ninety-eight churches report *Telescope* subscriptions. It should be noted that the subscription list is much higher than it was a year ago.

Our pastors have baptized 1,264 persons, conducted 1,013 funerals, married 633 couples, read 2,234 books, made 38,558 pastoral calls and preached 6,425 sermons. This is no small task when measured by the amount of time and labor taken to do the work that has been required.

II. *OUR MINISTRY.*

Fifty-four full time men and thirty-one part time men have served our 108 churches. We have two men in the chaplaincy, Rev. W. I. Comfort and Rev. Stanley Forker.

Death has not touched the active ministerial ranks this year, but he has taken two ministers' widows; Mrs. S. W. Kiester of Westerville, Ohio, and Mrs. G. M. Mathews of Dayton, Ohio. These have been properly honored in the memorial services.

Two of our young ministers have taken unto themselves each a life partner. Rev. Charles Schelley, pastor at Maple Park; and Rev. Maurice Smith, pastor at Nashville and Waterhouse. To these fine young people we offer our congratulations.

Little ones have come to live with Rev. and Mrs. Stanley Forkner and Rev. and Mrs. Clifford Stearns. The son of Rev. and Mrs. Stearns tarried for a time and left to be with the Redeemed over there.

RESIGNATIONS—Rev. Wilferd Loomis resigned the Olivet church and Rev. James McQuiston was apopinted. Rev. Robert Hunt resigned the Potsdam and West Sonora churches and Rev. Arthur W. Stambach was appointed. The Residence Park church was left to be supplied at last conference and Rev. Fred Gaston was appointed.

III. *OUR QUARTERLY CONFERENCES.*

One-hundred seventy-two regular quarterly conferences and six called sessions were held. Rev. E. R. Turner, district leader of Hamilton and Middletown district held one of the called sessions. His service is graciously asknowledged.

Quarterly conference licenses were renewed to Rev. James Duvall, of Middletown church; Rev. Dana Heaton, of Piqua church; Rev. Harold Messmer, of Newport church; Rev. Connie O'Bryan, of the Greenville church; Rev. C. C. Potts, of the Union City church; Rev. Ralph Schenck, of the Liberty church; Rev. Beam Shafer, of the Fairview church; Rev. George Young of the Dunlap church; and Rev. J. C. Fitch of the Hamilton, First church.

Quarterly conference licenses to preach were granted to Rev. Robert D. Snell, of the Greenville church and Rev. Harley Brown of the Ithaca church.

The quarterly conference of the Oakwood church recommends Rev. James McQuiston to the ministerial ranks of the Miami Conference.

IV. *MINISTERIAL TRANSFERS.*

Rev. Paul Jefferis, Rev. Milford Ater and Rev. C. R. Thomas are offering their transfers from the Southeast Ohio Conference to the Miami Conference.

Rev. C. Willard Fetter is asking for a transfer to the East Ohio Conference and Rev. George Oliver is seeking for a letter of dismissal from the membership of the Miami Conference.

V. *YOUR SUPERINTENDENT'S ACTIVITIES.*

He has held 177 quarterly conferences, attended the General Conference, and served on the committees of new Legislation and the one on Church Union. For several years I have been a member of the Executive Committee of the Otterbein Home, I am a member of the Board of Trustees of the Otterbein Press and at the present time serving as president of the board.

As a member of the Executive Committee of the Otterbein Home Board I have attended twelve meetings, and eleven meetings of the Executive Committee of the Otterbein Press. Have attended twenty-two special committee meetings, have held twenty-eight conferences with groups and individuals, and attended thirty-one meetings of a miscellaneous nature. Was present at the meeting of the Conference

Superintendents' Association, attended the Sabina Camp and the Young People's one day Convention. I met twenty times in district meetings, and attended the State Pastors' Convention. It was my privilege to have part in four mortgage burning services and to assist in the dedication of four parsonages.

The superintendent gave one hundred seventy-one devotional addresses, thirty-five sermons, solemnizing two weddings, conducted four funerals, took part in two other funerals, and gave four home coming addresses.

As to finances, these are left to the conference treasurer; as to statistics, these are left largely to the statistical secretary; and as to Christian education, this is left to the president of the Board of Christian Education of the conference.

APPRECIATIONS—I take this opportunity to express my appreciation to Bishop A. R. Clippinger for his kindness and cooperation in the work of the conference and also for the loyalty I have enjoyed from my brethren in the ministry. Then I wish to express my appreciation for the fine faithful laymen of the conference and their helpfulness in building the Kingdom of God.

Yours in Him,

L. M. HOHN

RECOMMENDATIONS

2. That we set ourselves to complete the Otterbein College Centennial Fund Campaign by June 1, 1947.
3. That we join in the work of making our Fall Institutes a success.
4. That since progress has been made regarding the Miami Camp, that we continue to push the Miami Camp project.
5. That our churches continue to keep in touch with our young people who are in the service of the country.
6. That we observe the World Wide Communion Service on October 7, 1945. That we observe all the special days as recommended in our Quadrennial Manual.
7. That Rev. Milford Ater, Rev. Paul Jefferis and Rev. C. R. Thomas be referred to the Committee on Conference Relations. And further, that since Rev. Ater and Rev. Jefferis have completed their work in the Seminary, they be referred to the Committee on Elders' Orders upon their reception into the conference.
8. That Rev. James McQuiston be referred to the Committee on Candidates for the Ministry.
9. That we prepare a history of Miami Conference to be completed on our one-hundred and fiftieth anniversary.
10. That conference open on Monday evening next year, with the Brotherhood in charge of that evening session. That it be a banquet with a program.
11. That the conference maintain an evangelistic commission of five members, nominated by the Conference Council, and that the chairman of evangelism in the Board of Christian Education be one of the commission.

Report No. 3

OBSERVATIONS AND ANALYSIS OF THE STATISTICAL REPORT

Membership and Attendance

Miami Conference has a present membership of 29,586, a net increase of 496 over a year ago. The small increase of 1.7% has been due in part to the disbanding of the Pleasant Hill congregation consisting of 81 members and to drastic slashes in the rolls of two local churches. We suggest that in the revision of membership rolls, names of delinquent members be written off more gradually; and always in conformity to the disciplinary requirement that every effort be made

to reclaim our delinquents before dropping their names from the roll.

In the reports of the past 2 years there were more accessions on Confession of Faith than there were conversions. Formerly the number of conversions reported far exceeded the accessions on Confession of Faith. To me this indicates a trend toward more thorough evangelistic work by bringing the converts into the church fellowship. It is still a debatable question whether one can remain a growing, efficient Christian outside the church. Our churches and pastors give evidence of becoming more diligent in this matter.

Church attendance increase 7.6% over the report of a year ago, and 16% over the report of two years ago. 33 churches reported no conversions; 20 churches reported no accessions on Confession of Faith; 11 churches reported no accessions at all.

15% of the local church membership is listed as non-resident. It indicates a need for more encouragement to members who move to transfer their membership to churches in the communities where they go. It is believed that many more of our people could be saved to the church and the gospel by such a procedure.

The number of contributing members remains about the same as a year ago, with 52% of the members carrying the financial load.

S. S. attendance increased nearly 8% over the 1944 report, and 11% over the report of two years ago. Nevertheless it is less than five years ago and 16% less than ten years ago.

Offsetting this decline in S. S. attendance is the increase in weekday schools of religion, the vacation church school and confirmation classes. All these agencies of religious instruction have increased in the past 5 years. Vacation church schools increased 31% in attendance the past year and 71% over two years ago.

The number of C. E. societies increased 2 during the past year. There is an increase of 9 over the report 5 years ago. The total membership is slightly less than 5 years ago.

The number of women's organizations and members remains nearly the same as 5 years ago. The number of Otterbein Guilds declined 3 in the past year, 9 in the past 5 years, and the total membership has declined 28%.

Religious Literature

Circulation of the Religious Telescope reached a total of 1,112 the past year, a 100% increase over 5 years ago. However, that is only 1 to 30 members. Subscriptions to the Miami Messenger show a healthy increase over a year ago.

There is little change in the use of United Brethren literature used; other literature has increased slightly. In this connection it is suggested that pastors report in the item, Other Literature Used, only material which may be said to compete with the literature of our own Publishing House.

Finances

Pastors' salaries show a net increase the past year of $11,332.

A total of $46,872 was spent on church and parsonage repairs; 80 chuches out of 108 reporting money spent for this purpose. Only 5 churches report debt on church property; 9 churches report debt on parsonage property. 6 churches reported a total of $32,694 spent for new parsonages.

The total for all local purposes the past year was $499,235. Total for all purposes, including benevolences was $628,884, perhaps the highest in the history of Miami Conference. There is a balance in treasuries of $248,503, most of which is earmarked for church building and property improvement.

The report as a whole indicates faithful effort on the part of many pastors in the field of evangelism. More catechetical instruction, increased accessions to the church, increase in persons received by letter—all reveal that results came to those who labored well.

The past 2 years have seen a turn of the downward trend of the Sunday school. Naturally we hope the upturn will continue and bring us back in the next few years to the place the Sunday school held 10 years ago.

In my opinion the increase in financial contributions does not represent a growing sense of stewardship in the church. There has been little increase in stewardship instruction, nor in the number of tithers, nor in the number of contributing members. We are bound to recognize that continued increased giving will hardly continue at the present rate unless people are led to acknowledge the Lordship of Jesus Christ and become faithful stewards of their possessions.

Let the report be a challenge to a holy zeal in evangelism and to the promotion of every phase of our church work in the coming year.

The Miami Conference Council of Administration met in December, March and June. The conference officers and the district leaders reported at each meeting. The following official actions were taken after careful study and discussion on each item.

Conference Trustees were instructed to study the possibilities of a church at Osborn.

The secretary of the conference was instructed to prepare the ministers' service records for publication in the 1945 Conference Minutes.

In the matter of the annual conference program it was voted to invite Dr. Jesse Bader of the Federal Council to be the guest speaker.

The superintendent's plan to hold meetings with the pastor and laymen of each district to work out the benevolence quotas was approved.

The superintendent was authorized to figure the $48,000 benevolence quota of the conference on the six-fold basis to the churches. The pastors and laymen of the districts were asked to make adjustments among the churches within the district.

The council voted to call a meeting of the council in its capacity of Boundary and Finance Committee at New Madison at 4 p.m., September 17.

Respectfully submitted, JOE P. HENDRIX

Report No. 11

REPORT OF CONFERENCE TRUSTEES

In the reorganization meeting of the board the following officers were elected: president, Dr. L. M. Hohn; vice-president, Dr. W. I. Underwood; treasurer, Rev. C. B. Boda; secretary, H. G. Clark. Other trustees are Rev. C. R. Smith, Clifford Benzing, Earl Zehring, and Fred Lammers.

The trustees met ten times during the year. Some of the members traveled long distances to be present at the meetings and gave much valuable time and helpful service to the work of the board.

During the year the following appropriations were made from the trustees' fund to churches and conference projects:

To the salary of the pastor in the rural church projects, $800.

To Clifton $200 on the church debt; to Cheviot $200 on debt.

Paid on the debt of the conference manse $1,500, leaving a balance of $2,000 on the debt.

Paid $500 on the note of $5,000 held by the Home Mission and Church Erection Board.

Paid on the conference debt $1,000 more than the regular payment of $1,200.

Appropriated to Millville Church $300 to be applied on the purchase of a new parsonage.

The trustees at different times during the twelve months inspected and approved the purchase of parsonages on the following charges: Lewisburg, Residence Park, Englewood, Millville, and Ginghamsburg.

The board approved the plans of remodeling and building a new addition to the Union City church. Plans for building new churches at Antioch and Harshman were presented to the trustees. Further development of these plans will extend into the new conference year.

The trustees met twice with a special committee from the Board of Christian Education in reference to the location and purchase of a camp site. A committee of two has been appointed from the trustees to cooperate with the Board of Christian Education on this much needed project.

Report No. 12

REPORT OF THE COMMISSION ON EVANGELISM

The "Quadrennial Manual—1945-1949" sets forth in the immediate "First Year's Emphasis" the theme "Christ Calls the Church to Effective Training for Christian Evangelism," and challenges all our people with the scripture text: Romans 12:2—"Be ye transformed by the renewing of your mind," and presents the aim as "To discover and revalue the place of every teaching institution of the church as the inescapable essential for Christian evangelism."

The Commission on Evangelism recognizes that here is presented the mechanics of evangelism and the challenge of revival efforts. Some one has said, "Evangelism is more than form—it is a power," and that power must be translated into a passion of saving the lost.

We hold that the Church of Jesus Christ cannot survive without "a longing for revivals that revive and stay revived, that breed revivals and revivalists; revivals that purge and do not amalgamate the church with the world, revivals that flood the ground and are not followed by a cold snap of formalism that sheets the fields with ice in the summer"—a revival that shall warm the hearts of the saints and send them forth to cleanse and purify.

We believe "that back of every institution of the church, back of every department in the church, and back of every social function, should be the salvation of the individual."

We recommend a re-reading of that part of "The Episcopal Address" delivered by Bishop Ira D. Warner at our recent General Con-

ference on "To a Dynamic Evangelism," where he said:

"The United Brethren Church was born in hearts aflame with the love of God and a passion to give the Christian evangel to men. While other denominations have had to acquire evangelism our church was born evangelistic! The founders and fathers of our communion were not only evangelistic but eternally and enthusiastically so. Indeed, their enthusiasm at this point amounted almost to fanaticism. They majored in evangelism and a passion for the lost was everywhere in evidence among our spiritual forebears. There was unction in the pulpit and fervor in the pew. Parents and preachers preached and prayed together for the lost of their homes and communities and 'they went everywhere preaching the gospel.' In so doing, they helped to lay well the foundation of our nation.

"We must remember that practically everything we ever gained in the history of our denomination are the results of a dynamic and spirit-filled evangelism. *If we ever come to the time when we are too respectable, too intellectual, too cultured, too formal to be concerned about the souls of men, we ought to surrender our credential as a church of Jesus Christ.*"

Therefore, your Commission on Evangelism recommends the following:

I. Statement of Purpose

That the Program of Evangelism as outlined on pages 11 to 14, in our "Quadrennial Manual—1945-1949" be the goal of every church member and organization in Miami annual conference, namely: (1) Evangelism in the Annual Conference; (2) Evangelism in the Local Church; (3) Evangelism in the Community; (4) Evangelism in Our Institutions of Education.

II. Organization and Procedure

1. Annual Conference Commission on Evangelism

That a strong, dynamic Commission on Evangelism be elected, which shall vigorously press the quadrennial campaign on evangelism so that every individual of our great denomination shall desire to become a soul winner for Christ.

That the members of the Commission of Evangelism be given a leave of absence of two weeks each year from their churches to which they are assigned to help fellow pastors in evangelistic and revival efforts.

That the Conference Superintendent personally or by supply fill the pulpits during such absence.

2. District Evangelism

That each of the conference districts, under the leadership of the district leader, during the month of October, have a Day of Retreat for the pastors in order to promote Evangelism; the Retreat to have two periods: (a) 9:30 to 11:30 a.m., for discussion on Evangelism. (b) 1:30 to 3:00 p.m. for dedication to the task of evangelism.

3. Militant Church Evangelism

(a) That November and December be given to class instruction on personal, visitation, educational, and mass evangelism.

(b) That January and February be set aside for a genuine revival effort for every member and worker in the local church.

(c) That the Lenten period be devoted to visitation evangelism by reconsecrated leadership; and that catechetical classes be organized and confirmed on Palm Sunday or Pentecost.

(d) That the period immediately following Easter be used as a reception to new members in helping them to become "fishers of men."

III. Evangelistic Bibliography

We suggest the following: "Training for Evangelism" by our church; "Visitation Evangelism Manual," Federal Council of Churches of

Christ in America; "The Teaching Evangelist" (12 lessons), Norman E. Richardson; "Place of Evangelism in the Local Church," Bishop Warner; "Sunday School Teacher—a Soul Winner," Bishop Clippinger; and "Evangelism of Jesus", Ernest Clyde Waring.

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

Your Board of Christian Education submits a report of its work and objectives.

Mission Institutes

In cooperation with Miami Branch of the Women's Missionary Association we shared sponsorship of the fall institutes attended by over 1,200 leaders of Miami Conference churches.

The Fall Missions Institutes' schedule for this year is as follows:

Cincinnati District—Clifton—October 1
Hamilton-Middletown District—Middletown—October 2
Dayton District—Fairview—October 3
Northeast District—Lagonda Ave.—October 4
Northwest District—Arcanum—October 5

The afternoon program at 2:30 is especially for women of the missionary societies.

Supper will be served continuously from 5:30 to 6:45 for 75 cents.

Dr. Hohn will meet with the ministers at 6:30.

The evening session opens at 7:30 and will include Age Group Discussions.

Rev. Carl Eschbach will address both afternoon and evening sessions.

An offering will be received for rehabilitation work in China and the Philippine Islands.

Directors

Mrs. Luther Deevers, in her first year as director of children's work, has done an effective work in deepening the interest of many workers with children. Her ambition for this year is to build a conference program of child evangelism.

Rev. Harvey G. Hahn has given fifteen years of leadership to the conference young people's program. It would be interesting to know how many thousand young people have benefitted through his ministry at camps and conventions. It is with regret that we announce his retirement as Director of Young People's Work.

In seeking for a new Director of Young People's Work our selection has been unanimous, and with his consent, we announce the new youth director—Wm. K. Messmer.

There will be a one-day youth convention this fall, November 24, 9 a.m. to 9 p.m. at Euclid Ave.

Rev. Ralph Tinsley, as director of adult work, has led in the enlargement of our adult program. All who have benefitted through his leadership will appreciate that he is to continue as Director of Adult work. There will be a week-end camp next summer for adult workers with children and adults.

Rev. Robert Copeland as Director of Leadership Training has set up the education phase of our summer camp program. With plans for an enlarged camp program as facilities become available, he will continue as Director of Leadership Training. We can not now announce a camp schedule for next summer. We hope it will be possible to meet on our own camp property.

In the judgment of the board it has been considered wise to expand our activities to meet two very definite needs in Miami Conference, and toward that end two new directors have been named.

First, a continuing need has been felt that our program of recruiting young men for the ministry must be strengthened. Therefore, a committee has been named to give specific attention to this matter. The committee includes: Revs. Philip Deever, Robert Ryder, Harvey Hahn, Paul Herrick, W. N. Roberts, and L. M. Hohn. Philip Deever will serve as chairman of the committee and with the board serve as Director of Ministerial Recruiting.

Another new director has been named to serve as Director of Evangelism. To accomplish a coordination between the Conference Committee on Evangelism and the board; to follow up through the year with promotion of a Christian education program of evangelism; and in harmony with the denominational emphasis on evangelism at this time, the Board has named as Director of Evangelism, Rev. Harvey Hahn..

A word of tribute is due to these directors. They are making an investment of time and skill in order that the interests of Christian education may be advanced in Miami Conference. No one receives any financial compensation. Expenses only are paid. A statement of appreciation to the churches who permit their ministers to render this service must be made. The program of Christian Education in Miami Conference is a tribute to the unselfish service of the directors and the churches who make it possible.

Objectives

Two definite objectives stand before us.

1. The African Girl Scholarship Fund, through which a girl from Africa will be brought to America for a college education, has grown to a present total of $1,756, of which total about $1,400 has been contributed by 40 Sunday schools and the young people of the conference. As soon as travel facilities are available this young woman of Africa will be coming. This is a grand project sponsored by our young people.

2. The need for a Miami Conference owned and controlled camp property is becoming desperate. Conference groups needing camp facilities are at the mercy of others and can make plans for holding their camps only after the camp owners have satisfied the requirements of their denominational groups. We have no assurance that the Sabina camp will be available next year. One example of the kind of inconvenience involved was the very chilly last week end camp of the Otterbein Guild at Ludlow Falls.

The Board of Christian Education cannot hold property. This can be done only by the conference trustees. Therefore, we can work only through that group. There have been joint meetings of the two boards. There has been joint inspection of property. There is a committee of representatives from the two boards seeking to achieve purchase of a certain property well adapted to our needs which could quickly be made ready for use. Progress is slow. Determining factors have been the unreasonable price asked for an adjoining desirable property, and the fact that the basic property can be secured only through some complicated court action. It is the agreement of the combined boards that this action shall be pursued through the court looking toward purchase of the property. If this action does not secure the property for us, then we shall consider an undeveloped plot of ground and develop a camp from the ground up. We regret we cannot be more specific in this report, but hope that by next summer our camps can be held on Miami Conference property.

Report No. 19

REPORT OF TOWN AND COUNTRY COMMISSION

Your Commission on Town and Country church begs to submit the following report:

We cooperated with and sent Town and Country pastors to the National Convocation of Town and Country leaders at Elgin, Illinois, last fall.

We had representatives at the Ohio State University short course for Town and Country pastors at Columbus, Ohio, in June.

We conducted a conference wide case study of all the Town and Country churches. This study will be given in detail to the Conference Superintendent and the Conference Council for their information and use. A few of the items disclosed in the study should be summarized here. There are 26 Town and Country churches served by part time pastors. There are 26 rural churches in the conference which have had a larger membership and a larger attendance some time in the past twenty-five years than they have at present. There are 24 rural churches located in communities where the population is decreasing. Twenty-two of our churches are located away from community centers and have no true community. Eight of the rural churches of the conference are in communities which are definitely decadent and four others are in communities which are on the borderline of decadence.

Recommendations

1. We recommend that the commission continue the case study of Town and Country churches of the conference, choosing a limited number of the less active churches to which special attention shall be given during the year.
2. That four Town and Country church convocations be held in the conference during this year.
3. That if the proposed regional meetings of the conference commissions are held, we cooperate with the regional meeting in our area and send the members of our conference commission and some additional rural pastors to the meeting.
4. That we cooperate with the Ohio State Short Course for Town and Country pastors and with Camp Ohio which is conducted for rural pastors by the Town and Country Committee of the Ohio Council of Churches.

Report No. 20

REPORT OF COMMITTEE ON CHANGE OF DATE FOR CONFERENCE

When Miami Annual Conference met a year ago a committee was appointed to study a change of date of the conference sessions from fall to spring. This committee met August 22, 1945; reviewed the steps of the movement toward such a change. Reasons for and against the proposal were presented. The committee found itself to be divided on the issue. Some favored an immediate change upon vote of this conference. Some favored deferment of action until the merger with the Evangelical Church. Some were of the opinion that no one conference should change unless all changed. Some believed it unimportant that all conferences should meet the same season.

The committee agreed however, that the whole matter should be placed before the conference as a committee of the whole for further discussion; also, that a committee should be appointed to give further consideration following this year's session, and report a year hence.

The following reasons represent the assenting opinion of individual members of the committee:

1. It is better for the pastor. It affords opportunity to plan his year's program following the conference session rather than before. He is able to include the recently adopted conference policy in his local church program for fall and winter. Under the present setup, most pastors have their fall and winter program planned before the conference meets.

For the pastor who moves, it affords opportunity to become acquainted with his parish and people during the summer while he plans his fall and winter program. Also, for the pastor who moves, his children can enter school at the beginning of the fall term, rather than after school has begun.

2. It is better for the church. A spring conference would bring the year's work to a close while at high tide. The inspiration of conference following close upon Easter and spring could help motivate the conference sessions and the post-conference planning.

Furthermore, most churches begin their financial year June first, the date suggested for the entire denomination. A change to spring would be in harmony with this phase of denominational policy.

The following reasons represent the dissenting opinion of the individual members of this committee:

1. It is a disadvantage for the pastor. Most pastors have gardens. When they move in early summer they must forego the results of early spring effort.

Also, a change to spring would disrupt plans for vacation church school and summer camps.

2. It is a disadvantage for the church. Among rural churches the financial situation is usually better immediately after the harvest season, thus aiding churches to meet their obligations before September first.

The change would mean a short conference year of perhaps nine months. It would make for confusion. If only one conference should change to a spring session it would be impossible to make annual comparison with the other conferences. Tabulation of reports along with those of other conferences would be inaccurate.

Finally, what is the need for change at all? It makes for upheaval and an unsettled state.

We further recommend that the women support and encourage the work of the Otterbein Guild.

REPORT OF HISTORICAL COMMITTEE

To the bishop and members of the Miami Conference. Your Historical Committee makes the following report:

Our report will consist of suggestions which we feel will be helpful in compiling the historical data of the conference.

First: In preparation for the recognition of the 150th anniversary of the Miami Conference let us suggest that a questionnaire be sent to every pastor of the conference and to other certain persons for information and historical data that may have to do with the Miami Conference so that the material might be compiled early.

Second: That $25.00 be appropriated to the committee to defray any expenses that might be incurred, with the understanding that an itemized account of expenditures be submitted. Also that if any funds remain in the hands of the committee they be refunded to the conference treasurer.

Third: That every pastor feel duty bound to answer the questionnaire and solicitation for information.

Fourth: It is our thought, and we would suggest that all papers,

pamphlets or bulletins of the local church bear the date of publication.

In closing, the conference is no greater than her history. May the Miami Conference be able to hand down to future historians as complete a history as can be gathered.

Respectfully submitted,
R. D. MILLER
E. S. COMREY
